Dear Colleagues,

We are happy to announce the 2nd ISPAD - ASPED - Lilly Diabetes Postgraduate Course.

The course, an initiative by the Arab Society of Paediatric Endocrinology (ASPED) in collaboration with the International Society of Paediatric & Adolescent Diabetes (ISPAD) is aimed for Paediatricians who completed their basic Paediatric training and are currently working in the field of Paediatric and Adolescent Diabetes. The workshop is exclusively sponsored by Lilly and is open for physicians practicing in the Arab countries.

The course will be held over three days and will have a structured curriculum covering all the relevant topics for Paediatric Diabetology. The format will be in the form of interactive lectures, case presentations, research project presentation and workshops.

The faculty of the school will include senior Paediatric Diabetologists from ISPAD and ASPED. The course will be conducted entirely in English and a good command of the language is essential. All candidates are expected to attend the entire course.

Venue
The course will take place at:
The Sofitel Hotel
Abu Dhabi
A Better World For Children With Diabetes

How to apply?
Application forms can be found on the ISPAD website (http://www.ispad.org). Applications should include a completed application form, and a letter of recommendation from the department head/chair. Applications must be submitted exclusively by e-mail to aspedsociety@gmail.com

Applications will be assessed by ISPAD - ASPED - Lilly Diabetes course steering committee and successful applicants will be notified of their acceptance.

Application deadline – Monday February 1st 2016. Applications will be considered for applicants from all Arab countries. Fair distribution of spaces will be spread over different countries with a consideration to the number of applications from each country.

Dates, travel and accommodation:
The ISPAD - ASPED - Lilly Diabetes course will start on the afternoon of Thursday 12th May (13:00 PM) and will end on Saturday 14th May (17:00 PM). Accommodation, meals and flights will be provided through the educational grant provided by Lilly.

The ISPAD - ASPED - Lilly Diabetes Course Steering Committee are:
ISPAD                        ASPED
Dr. Carine DeBeaufort      Dr. Asma Deeb
