

Jamie Wood

ISPAD Secretary General Elect 2019-2020

Medical Director of Pediatric Diabetes at Rainbow Babies & Children's Hospital

Bio

Dr. Jamie Wood is a pediatric endocrinologist from Cleveland, Ohio.

She is an Associate Professor of Clinical Pediatrics at Case Western Reserve University.

In addition, she is the Medical Director of Pediatric Diabetes at Rainbow Babies & Children's Hospital where she holds the Mary Blossom Lee Chair in Pediatric Diabetes.

Her clinical interests include the care of youth with all forms of diabetes.

Her research interests include technology in the management of type 1 diabetes, clinical trials in youth with type 2 diabetes, and participating in multi-center patient registry studies.

Dr. Wood has been an ISPAD Member since 2009. She became the Director of Communications for ISPAD in 2016 and Secretary Elect 2019-2020.
