

5th ASPED - ISPAD - Lilly Diabetes Academy

Muscat, Sultanate of Oman

11 - 13 April, 2019

Dear Colleagues,

We are happy to announce the 5th ASPED - ISPAD - Lilly Diabetes Academy.

The course is an initiative by the Arab Society of Pediatric Endocrinology (ASPED) in collaboration with the International Society of Pediatric & Adolescent and Young Adult Diabetes (ISPAD) is aimed for Pediatricians who have completed basic Pediatric training and are currently working in the field of Pediatric and Adolescent Diabetes. The workshop is exclusively sponsored by Lilly and is open for physicians practicing in the Arab countries.

The course will be held over three days and will have a structured curriculum covering all the relevant topics for Pediatric Diabetes. The format will be in the form of interactive lectures, case presentations, research project presentation and workshops.

The faculty of the school will include senior Pediatric Diabetologists from ASPED and ISPAD. The course will be conducted entirely in English and a good command of the language is essential. All participants are expected to attend the entire course.
