THE INDIANA PROFESSIONAL LAND SURVEYORS FOUNDATION is pleased to establish the Purdue University Northwest Scholarship(s) for students majoring in Construction Management and Engineering Technologies, and Civil Engineering.

IPLSF has determined the following as a minimum for evaluating Scholarship Applications:

- 1) IPLSF will award up to three (3) Scholarships in the academic school year in the amount of up to \$750.00. The amount of each award will be determined at the sole discretion of the IPLSF Scholarship Committee and as approved by the IPLSF Board of Directors.
- 2) Greater consideration will be given to students with an emphasis in Land Surveying and desiring a career in the Land Surveying profession or related area.
- 3) Scholarships will be awarded on a "Merit Based" evaluation.
- 4) Applicants shall be "Students in Good Standing" with Purdue University Northwest.
- 5) Applicants shall display an overall GPA of at least 2.5 on a 4.0 grading system.
- 6) Equal consideration shall be given to students that are either "full or part" time.
- 7) Equal consideration shall be given to students that are either "traditional or non-traditional" in their college participation.
- 8) Applicants must either be residents of the State of Indiana, or be employed and working in the Surveying or Engineering related discipline within the State of Indiana.
- 9) Awards will be deposited directly to the students account.
- 10) Award recipients found to not attend classes may have their scholarship revoked.

ADDITIONAL REQUIREMENTS FOR APPLICANT:

- 1) Your current ACADEMIC PROGRESS REPORT must be included with this application.
- 2) You must have one faculty member and one employer for whom you have worked complete an appropriate rating form (Page #3).
- 3) You are allowed to submit a maximum of three rating forms. Submitting only two forms will not prejudice your application.
- 4) The third for must also be completed by a faculty member or an employer. Rating forms are not to be completed by members of the Scholarship Committee of ISPLS or IPLSF.
