...moving beyond physical disability

MAN-SANG WONG

ISPO POSITION TITLE

EXECUTIVE BOARD MEMBER

ISPO MEMBER SOCIETY

Country: Hong Kong

CURRENT PROFESSIONAL AFFILIATION

Certified Prosthetist-Orthotist and Fellow of the Hong Kong Society of Certified Prosthetist-Orthotists

BACKGROUND IN EDUCATION AND PROFESSIONAL EXPERIENCES

Dr. M. S. Wong obtained his professional qualification from the School of Prosthetics and Orthotics, Hong Kong Government in 1988. Afterwards, he pursued research studies and was awarded with M. Phil. in 1994 and Ph.D. in 2000 at The Hong Kong Polytechnic University (PolyU). Dr. Wong is currently an Associate Professor of the Interdisciplinary Division of Biomedical Engineering, PolyU. He served as the programme leader of the B.Sc. (Hons.) programme in Biomedical Engineering and Jockey Club Rehabilitation Engineering Clinic Coordinator at PolyU. He has been practicing in the public and private sectors of the prosthetics and orthotics services for 25 years.

PROFESSIONAL & RESEARCH INTERESTS/SKILLS

He is significantly involved in programme development and a number of clinical research projects, and learning and teaching projects as well as the reconstruction works after the Sichuan earthquake in 2008. His main research interests are scoliosis, spinal orthotics, preventions of fragility fractures, gait and posture analysis, CAD/CAM in prosthetics and orthotics, and prosthetics and orthotics outcome evaluations.
