ISSA Code of Ethics

The primary goal of the Information Systems Security Association, Inc. (ISSA) is to promote practices that will ensure the confidentiality, integrity, and availability of organizational information resources. To achieve this goal, members of the Association must reflect the highest standards of ethical conduct. Therefore, ISSA has established the following Code of Ethics and requires its observance as a prerequisite for continued membership and affiliation with the Association. As an applicant for membership and as a member of ISSA, I have in the past and will in the future:

- Perform all professional activities and duties in accordance with all applicable laws and the highest ethical principles;
- Promote generally accepted information security current best practices and standards;
- Maintain appropriate confidentiality of proprietary or otherwise sensitive information encountered in the course of professional activities;
- Discharge professional responsibilities with diligence and honesty;
- Refrain from any activities which might constitute a conflict of interest or otherwise damage the reputation of employers, the information security profession, or the Association; and
- Not intentionally injure or impugn the professional reputation of practice of colleagues, clients, or employers.

Membership Categories and Annual Dues

General Membership: \$95 (USD) plus chapter dues

Professionals who have as their primary responsibility information systems security in the private or public sector, or professionals who supply information systems security consulting services to the private or public sector; or IS Auditors, or IS professionals who have as one of their primary responsibilities information systems security in the private or public sector; Educators, attorneys and law enforcement officers having a vested interest in information security; or Professionals with primary responsibility for marketing or supplying security equipment or products. Multi-year memberships for General Members, are as follows (plus chapter dues each year): 2-Year: \$185; 3-Year: \$275; 5-Year: \$440.

Government Organizational: \$90 (USD) plus chapter dues

This membership offers government agencies the opportunity to purchase membership for an employee. This membership category belongs to the employer and can be transferred as reassignments occur. When an employee is assigned to this membership, he or she has all of the rights and privileges of a General Member.

Student Membership: \$30 (USD) plus chapter dues

Student members are full-time students in an accredited institution of higher learning. This membership class carries the same privileges as that of a General Member except that Student Members may not vote on Association matters or hold an office on the ISSA International Board. There is no restriction against students forming a student chapter.

CISO Executive Membership: \$995 (USD) plus chapter dues

The role of information security executives continues to be defined and redefined as the integration of business and technology evolves. While these new positions gain more authority and responsibility, peers must form a collaborative environment to foster knowledge and influence that will help shape the profession. ISSA recognizes this need and has created the exclusive CISO Executive Membership program to give executives an environment to achieve mutual success. For more information about CISO Executive Membership and required membership criteria, please visit the CISO website – <http://ciso.issa.org>.

Credit Card Information

Choose one: Visa MasterCard American Express

Card # _____ Exp. Date _____

Signature _____ CVV code _____

Please check the following:

The most important aspects of my membership for the current membership term are:

- Build or maintain professional relationships with peers
- Keep up on developments and solutions in cybersecurity, risk or privacy
- Establish a professional development strategy to achieve my individual career goals
