

ISTH Outstanding Mentor Awards – Nomination Scoring Rubric

ISTH presents the ISTH Outstanding Mentor Awards during the ISTH Congress in recognition of individuals who have demonstrated an ongoing commitment to cultivate and mentor early career professionals in the thrombosis and hemostasis field

Up to two (2) awards will be conferred annually to professionals in the thrombosis and hemostasis field whose mentorship of the next generation has made both a significant and positive impact on their mentees' careers and, through their mentees, have contributed to the advancement of research and/or clinical practice in the field.
