The Society

The ISTH is a global not-for-profit organization advancing the understanding, prevention, diagnosis and treatment of thrombotic and bleeding disorders.

First and foremost, ISTH stands for leading edge science. As a global membership community of specialists in bleeding and clotting disorders, we are dedicated to transformative scientific discoveries to advance clinical practice and improve the lives of millions of people worldwide.

ISTH has over 3,500 members in more than 84 countries around the world.

Membership

ISTH membership is an important investment in your own future at every stage in your career. With membership, you receive ISTH’s leading scientific publication, *Journal of Thrombosis and Haemostasis (JTH)*, timely information regarding thrombotic and bleeding disorders, targeted educational programs, networking opportunities and more!

Benefits to Members

Print subscription to *JTH* (only Regular members)

Online subscription to *JTH*

Subscription to the quarterly ISTH e-newsletter

Discounted registration fees for ISTH congresses, SSC meetings and other ISTH-sponsored educational programs & activities

Eligibility for travel grants to attend ISTH Congresses and SSC Meetings (only Associate & Reach-the-World members)

Access to educational materials and e-learning courses

Access to the ISTH Career Center (to review job opening and post your CV/resume)

Search for colleagues and network via the online membership directory

Eligibility to hold elected and/or appointed offices

Vote on Society matters and nominate and vote in Society elections

Serve on SSC subcommittees and working groups

Connect & Participate

With ISTH membership, stay up-to-date on the latest scientific advances and emerging trends in thrombosis and haemostasis. Deepen and broaden your expertise. Be part of transformative scientific discoveries and help foster the next generation of scientists, physicians and allied health professionals.
