

VISA INFORMATION

Please be sure to check whether a visa is required for your entry into Japan. You can find the list of countries and regions that have visa exemption arrangements with Japan at http://www.mofa.go.jp/j_info/visit/visa/short/novisa.html.

For those who require a visa to allow their entry into Japan:

Visa information and application documents can be found on the website of Ministry of Foreign Affairs of Japan: http://www.mofa.go.jp/j_info/visit/visa/index.html#section3 (in English). Please see the information for a short-term stay (up to 90 days) on the website.

ISTR is happy to provide documents which should be prepared by inviting person/guarantor in Japan, such as a letter of invitation and a letter of guarantee. To receive these documents, **please send a written request to the conference secretariat at istr-ap@ml.osipp.osaka-u.ac.jp by May 31, 2015**. Earlier would be even better. **Please note that THIS DEADLINE IS VERY STRICT, and the request sent after the due date will be refused.** Please also make sure to clarify which documents are needed for your visa and include your full name (in the order of first name, middle name, and surname name), nationality, occupation, sex, date of birth, and age in your email.

These documents will only be sent when ISTR has received the delegate's conference registration form and fee.
