INSTRUCTIONS FOR PAPER SUBMISSIONS

For Papers, complete the fields found in the screen below. The first box on this page is the **Title** field (Type title as it should appear in the Program. Your title should NOT be all capitals or all lower-case). The second box is the **Abstract** text field. (Please provide a brief description or abstract. Your abstract should be no more than 500 words. You may copy and paste from your word processing program.) Both the Title and Abstract boxes must be completed. The third box is for **Additional Information**. References may be posted here. When you are finished, and click “Accept and Continue”, located at the bottom right hand corner of the screen.
Select Author(s) For: Paper Title

The person submitting will be automatically added as an author to the paper and will be listed in the table as shown in the screenshot below. If you want to remove your name (usually because you are submitting on behalf of someone else), you must add at least one additional Author before removing yourself from the Author table.

To add an Author, use the search box below the words "Search for Additional Authors by Last Name." Authors not in the database may be added if their name is not found.

Indicate the role of each author: The role for each Author listed is indicated in bold text in the "Role" column. Please indicate which authors are presenting, and which authors are not presenting by clicking on the corresponding role. The selected role will appear in bold black text.

Change the Author order by clicking "Up" or "Down" in the "Display Order" field. The authors should be listed in the order they will appear in the final program.

To remove an author, click "Remove" in the "Action" column.

Once you have completed the process of adding authors click "Accept and Continue."

Verify that the author information is correct. When you are finished with the author information, click 'Accept and Continue", located at the bottom right hand corner of the screen.
Review your submission information and click ‘Accept and Continue’, located at the bottom right-hand side of the screen.

Your submission confirmation will appear on the screen. You will also receive an email confirmation of your submission.
INSTRUCTIONS FOR PANEL SUBMISSIONS

For Panels, complete the fields found in the screen below. The first box on this page is the Title field (Type title as it should appear in the Program. Your title should NOT be all capitals or all lower-case). The second box is the Abstract text field. (Please provide a brief description or abstract of the panel. Your abstract should be no more than 500 words excluding references. You may copy and paste from your word processing program.) Both the Title and Abstract boxes must be completed. The third box is for Additional Information. References may be posted here. When you are finished, and click ‘Accept and Continue”, located at the bottom right hand corner of the screen.
Session Participants: On this screen you will need to add the additional panel papers (no more than four) by clicking on ‘Step 1. Add a Paper’. Click ‘Accept and Continue’ (right hand side of screen) after the first panel paper abstract has been added.

**Select Author for Paper 1**

The person submitting will be automatically added as an author to the paper and will be listed in the table as shown in the author table. If you want to remove your name (usually because you are submitting on behalf of someone else), you must add at least one additional Author before removing yourself from the Author table.

To add an Author, use the search box below the words "Search for Additional Authors by Last Name." Authors not in the database may be added if their name is not found.
Indicate the role of each author: The role for each Author listed is indicated in bold text in the "Role" column. Please indicate which authors are presenting, and which authors are not presenting by clicking on the corresponding role. The selected role will appear in bold black text.

Change the Author order by clicking "Up" or "Down" in the "Display Order" field. The authors should be listed in the order they will appear in the final program.

To remove an author, click "Remove" in the "Action" column.

Once you have completed the process of adding authors click "Accept and Continue."

Verify that the author information is correct. When you are finished with the author information, click ‘Accept and Continue”, located at the bottom right hand corner of the screen.

Add/Search for Author by Last Name
To see if a co-Author is already in the conference database, enter his/her last name below. Matches will appear in the table below. You may then add him/her from that table. If he/she does not appear, you will see an option to enter a new co-Author into the database.

Continue to add panel paper abstracts and author information until completed. You will also need to add a panel chair:

Step 2. Add a Chair
Use the search box to the right to type in a last name, and search the database for the person you wish to add as a Chair. When finished, go to step 3.

Step 3. Accept and continue.
When your session is fully populated click "Accept and Continue."
You will now need to review your panel submission. Click ‘Accept and Continue’ once reviewed.
Your online submission confirmation will appear on the screen. Print this for your records. You will also receive an email submission confirmation notification.

**Important Information about your email confirmation:**

You have completed the submission process. You may print out a confirmation of your submission at anytime by visiting the "Message Center." You will find this link on your main menu. You should also receive an email from do_not_reply@allacademic.com. The email will arrive within minutes of completing your submission. If you do not receive the email, it may be due to one of the following issues:

1. Your email address is incorrect. If you log in with an email account you no longer use, you will not receive email notifications.
2. Your email has very sensitive spam blockers that are blocking the incoming email. You can check your "junk" email inbox, add the domain "@allacademic.com" to your safe list, and talk with your email provider to resolve this issue.

Once you receive your email confirmation, please DO NOT REPLY to All Academic. The email will not be viewed or answered. For questions about your submission, or its status, please contact your program chair.
