

**AXELOS will be at FUSION 13  
August 15, 2013**

**Axelos, the new joint venture company who owns the ITIL® and PRINCE2® brands, will be joining us at Fusion 13 this year.**

**Plans are underway for several activities with Axelos this year at Fusion 13.**

- There is a Breakfast Briefing on Monday morning that will include Axelos and two members from the itSMF USA Board of Directors.**
- During the Exhibit hours, Axelos will be joining the itSMF USA Booth and the priSM Booth to meet and greet Exhibit guests.**
- An additional event (details under development – stay tuned!) allowing Fusion 13 participants to interact with Axelos**

**This will be a great year for you to attend Fusion 13! As an itSMF community, this will be your opportunity to meet representatives from Axelos and share your input and ideas with them.**

**Watch for further announcements on how you can interact with Axelos!! We will have more information for you in a couple of weeks!**

**If you have questions, please contact [info@itsmfusa.org](mailto:info@itsmfusa.org)**
