

INCARNATE WORD ACADEMY DISTANCE LEARNING CONTRACT

I, _____ will return to school August 18, 2020 through **distance learning** and will continue this method through the end of first quarter: October 19, 2020. As an IWA distance learner, I understand I have to attend all virtual classes and be in good academic standing (per MSHSAA and IWA standards) in order to be eligible to participate in on campus activities. I understand that I must be on time to all classes (required to be in the waiting room so the teacher can accept me into the class within the first 2 minutes of class,) complete required course work, and set up meetings with faculty members if/when assistance is required. If I am not able to attend the class live, I am still responsible to view the recorded class when the faculty member shares the link. If I am sick or will not be able to attend classes, a parent/guardian must contact the IWA office to report my absence. I will have the opportunity to reevaluate my method of learning at the end of the first quarter (October 19, 2020.)
