

Registration Presentation 2019-2020

Dates of Registration

- Registration will open for everyone February 19th at 3:30 PM
- Registration will close February 22nd at 11:59 PM.

4 Year Plan

- Just a reminder...
- Each of you will be working on your 4 year plan February 11th – 15th with your Homeroom Teacher
- Take time to look through the course guide
 - [Course Description Book](#)
 - Available on the website:
Academics/Curriculum/Course Descriptions
- Make sure you have all requirements met or lined up for the future
- Talk to your teachers if you have questions about specific courses or recommendations
 - You received an email on February 1st with these recommendations
- Talk to your parents/guardians about your choices and plans

Recommendations

- Each student has been recommended for classes.
- The recommendations are the courses you should take next year.
- You may decide with your parents to go from an Honors class to a B class
- You may not register for an Honors class if you have been recommended for a B class.
- Teacher recommendations were emailed to you on February 1st

GPA Requirements for ACP/AP Courses

GPA Range	# of ACP/AP Courses Allowed
3.9 or Above	4
3.5 – 3.89	3
3.0 – 3.49	2
2.5 – 2.99	1
Below 2.5	0

- Additional credits need approval from Admin
- More detailed information on requirements for ACP and AP Courses can be found on page 2 of the Course Description Book

Alternate Choices of Electives

- You need to select alternate choices for electives.
- If your first choice cannot be scheduled, you will be scheduled in your alternate choice.
- Be sure to sign up for classes you want to take because you may receive the alternate choice.
- The alternate choice **should not** be the same as your first choice.
- If a class does not have enough students registered, the class may not run. In this case the students will receive an alternate.
- Alternate choices are **very important**.
- Also, if a class is oversubscribed, Seniors will get priority, then Juniors, then Sophomores

How to Register

- Log in to PowerSchool
- Click “Class Registration” on the left-hand side
- Click the Pencil for each subject section
 - A **RED** exclamation point shows a required subject
 - A **GREEN** check mark shows subjects that are not necessarily required but will fulfill elective or other categories
- On the pop up menu, choose the course(s) you want to request
- Some courses have Teacher Recommendations, they will appear on the right side

How to Register - Continued

- Once you have selected the proper number of courses for a subject, press Okay
- Once you have visited all subjects, your course page will look something like this...

REMEMBER TO PRESS SUBMIT WHEN YOU ARE
FINISHED

Check Credits

- Check the bottom right hand section of the screen to find the total number of credits you have selected
- If the total number is over the recommended amount, please check your courses.
- If you have checked and do not believe there are any mistakes, please see Mrs. Sumpter or Mrs. Wunderlich

Schedule & Drop/Add

- Timeline:
 - Early June – Receive 1st Semester Schedule by email
 - All call will go out to remind you to check your email
 - Mid June – 2 week period to meet with Mrs. Wunderlich to make any changes
 - After those 2 weeks, your schedule for 1st semester **CANNOT** be changed
 - November 1 – Deadline to make changes to 2nd Semester Courses

 - There is a section labeled “Summer Courses”

Any Questions?

Let's Get
Ready for
Next Year!

How do I
know
which
courses
are
available?

Course Description

Where do I find the Course Description Book??

- iwacademy.org → Academics → Curriculum → Course Descriptions
- In your email! You will be emailed a copy of the book today!
- In all classrooms, the MPR, and the Commons

[Course Description Book](#)

Summer Courses

God from the Margins ACC

Offered to **Seniors**

More information on page 10 of the course description book

Historically, theology has been done from the perspective of white men, taking their experience as normative and all else as deviant. Is this you? If not, come discover the contributions of everyone else to the study of God. Ultimately, you will learn to bring your own experience to bear on the major questions of the theology, and become theologians in your own right.

Honors Genetics

Both of these Summer courses are now HONORS courses!

Honors Topics in Biomedical Science

Both courses are conducted online.

Offered to *Sophomores - Seniors*

More information on page 32 of the course description book

Introduction to Engineering - SUMMER

- * Offered to **Freshmen - Seniors**
- * Previously offered to only jrs and srs, this course is opening up to all levels and is being offered during the summer as well as during the fall semester. 0.5 credit
- * It focuses on the Engineering Design Process, and involves creating projects in small groups. It also includes a 3D Printing component, introducing SketchUp software to customize your own nametag and cell phone stand.
- * June 3-14th, from 12:30 - 3:30 at IWA

Department Highlights

Theology

World Religions ACP → Already a master of Christianity? Come learn about Buddhism, Hinduism, Islam, and Judaism.

Christ and Culture → How can one be a Christian in modern culture? How do we deal with suffering and death? What is the role of prayer and spirituality in our lives?

Vocations → What should you do with your life, and how are you going to know? Learn to discern your path and gain skills to build and maintain strong relationships with all the important people in your lives.

Philosophy ACP → Is life real, or an illusion? Can you ever really know anything? Come tackle the big questions while learning how to identify and craft logically sound and persuasive arguments.

Social Studies

Sophomore: World History or Honors World History or AP World History

Juniors: American History or Honors American History ACP

Seniors: Government (fall or spring)

Fine Arts

Drama Tech:

Try Before You Buy: see me in an OL or drop-in a class!

No previous experience necessary.

Can take it more than once.

Studio Art

Wheel Throwing:

Wheel Throwing is now an entire year!

This allows for further development

This was a request of many students who took this class the last two years

Digital Photography:

- × We have digital cameras to rent for Digital Photography
- × Yes, you may bring your own and, this would be the best option so you can learn how to use your camera.
- × However, here is what we have if you need a camera::

Dance

There are various classes/styles to choose from: ***Tap, Dance Aerobics, Mind & Body, Broadway and more.***

You don't need previous experience for many classes, but read the info in the course book to decide which level is appropriate for you.

Stop in and see Mrs. Grupe if you have any questions or, if you want to check out a class.
