Using WebEx
The conference call will be held over WebEx. This is an application that combines voice/video with presentation sharing.

Important Details about WebEx

1. **All voices will be muted by default by the Host**
2. If you have trouble joining in, please send me an email at jainworkshopusa@gmail.com. I will try to help as best as I can.

Important WebEx Conference Guidelines

1. We will start the WebEx call 20 minutes prior to the session time, so people can join and Pravinbhai can start the session ON TIME.
2. Please make sure that your questions are relevant to the topic being discussed. This is to avoid veering the topic in different directions.
3. During every pause when Pravinbhai is ready to take questions, we request you to limit your questions to just one (please post it on the chat window). If you have more questions, please send an email to Sejal/Pravinbhai.
4. Pravinbhai will always be sharing some presentation. Connecting via computer, tablets, or smart phones, will help create a favorable circumstance to increase the effectiveness of your understanding the topic at hand.
5. We would like to **emphasize** that: These sessions are Pravinbhai's efforts for us to understand his interpretations and views of Jain fundamentals and logical reasoning behind it based on his readings, discussions with various scholars and deductions. He recognizes that we all are free to practice Jainism depending on our understanding and beliefs.
6. The sessions will be primarily in English language with some Gujarati/Hindi explanation if needed.

We sincerely hope you will help us by adhering to these guidelines, so that we can have smooth flow of discussions. Thank you!
