“The Secrets of Winning”

JYOT is an organization powered BY THE YOUTH, FOR THE YOUTH, and was conceived with the basic aim to promote INDIAN HERITAGE.

JYOT IS ABOUT CHANGING OUR PERSPECTIVE IN ORDER TO REKINDLE THE SEED OF KNOWLEDGE THAT LIES IN ALL OF US, TO BRING ABOUT A CHANGE THAT WILL EMPOWER THE HUMAN RACE TO CO-EXIST WITH EVERY LIVING BEING IN PEACE AND HARMONY, AND WITH RESPECT AND DIGNITY.

The Secret of Winning is a journey in itself. This leads us from the world that craves and celebrates tangible happiness with a physical form to the very core of the meaning and essence of being happy.

JYOT is coming up with series of workshops called “The Secrets of Winning”. These workshops are aimed at providing a direct contact with the visionary of JYOT – an invincible decoder of the most complex subject matters, cognoscente and expert in various fields - Acharya Shree Yugbhushan Suriji.
