

Leavenworth County, Kansas, remains dedicated to our citizens and employees during the current COVID-19 pandemic. The health and safety of our community and workforce is our first priority. The Leavenworth County Health Department, Leavenworth County Emergency Management, Administration, and other departments are working together to monitor and respond to the evolving situation.

At this time, Leavenworth County facilities have closed to the public. We will continue to operate all county functions by utilizing online services, phone, and email to conduct county business. Citizens should check the Leavenworth County website and follow the official "Leavenworth County, Kansas" Facebook page for updates.
