I. ATTORNEY DISCIPLINE PROCESS GENERALLY

A. Background

1. Attorneys are a self-regulated profession, (which is rare).

2. Kentucky Constitution, Section 116, gives the Kentucky Supreme Court exclusive authority to "govern admission to the bar and the discipline of members of the bar."

   a. Created the Kentucky Bar Association (SCR 3.025).
   b. Kentucky Rules of Professional Conduct ("Ethics Rules") (SCR 3.130 to 3.130(8.5)).
   c. Attorney Advertising Rules are located within Ethics Rules in SCR 3.130, Section 7.
   d. Procedures and processes of enforcement, plus reinstatement and/or restoration to practice (SCR 3.140 to 3.530).
   e. CLE, arbitration regarding negligence, fees, and attorney disputes, Client Security Fund claims, IOLTA, and KYLAP (SCR 3.600 to 3.995).

B. Nature of Proceedings

1. "...[I]nquisitorial, but civil in nature, not criminal or even quasi-criminal." KBA v. Signer, 558 S.W.2d 582 (Ky. 1977).

2. Primarily complaint driven process although some inquiries initiated sua sponte by the Office of Bar Counsel based on information provided other than by a Bar Complaint.

3. Alternative sources of information could be media coverage, Court Opinions, informal reports of misconduct, etc.

II. OVERVIEW OF DISCIPLINE PROCESS, INFORMAL AND FORMAL

A. Informal Discipline Process

1. All attorney disciplinary proceedings begin as informal matters.
2. Process may begin from different sources.
3. Most disciplinary cases resolved at informal stage.
4. Informal proceedings before Inquiry Commission.
5. If not considered appropriate for informal resolution, case proceeds to formal stage.

B. Formal Discipline Process
1. Initiated by return of Charge by Inquiry Commission.
2. Consensual resolution process available.
3. If not resolved by consensual resolution, resolved by contested proceedings.
4. Trial Commissioner conducts evidentiary hearing and makes advisory recommendation.
5. Appeal to Board of Governors.
6. Supreme Court makes final decision.

III. INFORMAL DISCIPLINE PROCESS

A. Source of Disciplinary Inquiry

No standing requirement, and disciplinary inquiry may arise from multiple sources including:

1. Client or former client filing Bar Complaint.
2. Opposing party filing Bar Complaint.
3. Friends or family of client or former client or other participant in legal process, or any third party, filing Bar Complaint.
4. Another attorney either in compliance with reporting Rule SCR 3.130-8.3 or by Bar Complaint.
5. Judge reporting attorney pursuant to duty under Judicial Code.
6. Sua sponte investigation by Inquiry Commission if information from any source comes to its attention that attorney may have engaged in unprofessional conduct.

B. Intake

1. Initial review by Office of Bar Counsel of all Bar Complaints.
• If Complaint does not state an ethics violation and not suitable for alternative disposition, Office of Bar Counsel may decline, without investigation, to consider Bar Complaint. (SCR 3.160(3)(E)).

2. Office of Bar Counsel, in conjunction with Inquiry Commission, may initiate *sua sponte* disciplinary inquiry if information from any source indicates attorney may have engaged in unprofessional conduct.

3. If Inquiry Commission believes, following investigation, there is sufficient evidence to file a Complaint, Inquiry Commission will file an Inquiry Commission Complaint. SCR 3.160(2).

C. Response from Attorney

1. Attorney will be served with copy of the disciplinary inquiry, (Bar Complaint, Inquiry Commission Complaint, or Investigative File letter), and requested to respond.

2. In some instances, attorney may be sent a copy of the Complaint and advised that a written Response does not need to be filed at that time, and that attorney may be contacted by the Office of Bar Counsel.

• Typically, when Office of Bar Counsel does not necessarily believe a Response is necessary, but Office of Bar Counsel may have questions concerning statements made in the Bar Complaint.

D. Complaints: Verified Bar Complaint of IC Complaint (SCR 3.160)

1. Complaint is mailed to Respondent (signed certified mail, sheriff, or constructive service on Executive Director (SCR 3.160)).

2. Written Response required within 20 days – no Mailbox Rule.

3. Responses to Bar Complaints are sent to complainant for supplemental comments.

4. Investigation by OBC may include requesting court records, interviewing witnesses, any additional information from respondent, etc.

5. The file may be placed in abeyance at request of OBC or Respondent attorney (SCR 3.180(2)).

6. After Investigation, the matter is submitted for review to the Inquiry Commission.
E. Responding to a Bar Complaint

Common characteristics of good Responses:

1. Not treated as an Answer in a civil case, (admit, deny, assert affirmative defenses).
2. Addresses all factual matters raised in the Bar Complaint.
3. Objective document.
4. No overt personal attacks on the person who filed the Bar Complaint.
5. Reflects an understanding and application of the Rules of Professional Conduct.
6. Exhibits and Affidavits if appropriate.
7. Place the events in proper factual context of the overall legal representation.

F. Following Filing of Response or Time Has Run for Filing Response

Options available to Inquiry Commission:

1. Issue Private Admonition, with or without conditions, if conduct of attorney does not warrant greater degree of discipline. (SCR 3.185)
2. Private Admonition served on attorney who has 20 days from Admonition to reject the Private Admonition.
3. If Private Admonition rejected, Charge is issued, thereby initiating formal disciplinary proceeding.

G. Alternative Options Available to Inquiry Commission under Informal Admonition Procedure, SCR 3.185(2)

1. Inquiry Commission may issue warning letter or conditional dismissal letter including, but not limited to, conditions such as:
   a. KYLAP Referral.

   c. Fee Arbitration referral under SCR 3.810.
2. Attorney who receives warning letter, within 30 days from date of letter, may request reconsideration by Inquiry Commission.
H. Alternative Disposition By Inquiry Commission SCR 3.160(3)(A)

2. Some ethics violations providing for Private or Public Reprimand may not be eligible for alternative disposition.

J. Consensual Discipline SCR 3.480

1. At informal stage or formal stage of disciplinary process, disciplinary case may be resolved by consensual resolution.

2. Requires agreement by the Office of Bar Counsel and the Respondent attorney.

3. Consensual discipline may occur at the informal stage in the proceedings, i.e., investigative or Bar Complaint stage.

4. May occur at the formal stage, following the return of a Charge, before the commencement of the evidentiary hearing before a Trial Commissioner under SCR 3.240.

5. Office of Bar Counsel and Respondent attorney must agree on proposed resolution.

6. Proposed resolution must be approved by the Inquiry Commission Chair and the Past President of the KBA.
7. If agreed by all, Verified Motion from Respondent’s attorney, Response from the Office of Bar Counsel, and the file are submitted to the Supreme Court for consideration of the proposed consensual resolution.

8. If Supreme Court denies Motion, depending upon directions of the Court, the parties may either attempt another consensual resolution, or the case will proceed through the Trial Commissioner/Board of Governors/Supreme Court process.

2. Inquiry Commission may issue subpoenas for evidence (SCR 3.180(3)).

L. Types of Attorneys’ Conduct Which May Make Private Resolution Appropriate

1. Every disciplinary case is different and fact-driven.

2. Whether an attorney has a prior disciplinary record may be a mitigating or aggravating circumstance based on the existence or non-existence of such a record.

   In the event the attorney has a prior disciplinary record, relevant considerations as to whether that record represents an aggravating circumstance may be dependent on a number of factors, including:

   a. Whether the conduct and the applicable disciplinary rules in the present proceeding are similar to the facts and applicable rules in the earlier proceeding(s).

   b. Whether the prior disciplinary record is recent or remote in time.

3. The following is a non-exclusive list of the types of conduct which would likely support a private resolution.
