INTRODUCTION
How To Use This Index

This index to articles includes subjects, authors, and cases in one alphabetical arrangement. All signed articles, plus selected additional ones, are included. Kentucky Bench and Bar was known as Kentucky State Bar Journal from volume 1, 1936, through volume 35, July, 1971, and as the Kentucky Bar Journal from volume 35, October, 1971, through volume 38, 1974.

Alphabetical listings, by title, of articles dealing with particular subjects, followed by the authors' last names, the volumes, page numbers on which articles begin, and month and year of journals may be found by subject heading, as in the sample entry below:

LEGAL EDUCATION, CONTINUING

The article above, "Continuing legal education in Louisville and Jefferson county," may be found in volume 23, page 109 of the March, 1959 issue of Kentucky State Bar Journal. The same article may also be found under the author, e.g.,

MARSHALL, DANIEL T., JR.
Continuing legal education in Louisville and Jefferson county 23:109 Mar '59

Subject headings are frequently subdivided, e.g.,

COURTHOUSES -- PRESERVATION
or,
COURTS -- REVISION

Subjects are cross referenced to related topics, or to topics used in the index from one which is not, e.g.,

INTERNATIONAL LAW  See also TREATIES; WAR CRIMES; WORLD LAW
or,
GARNISHMENT  See ATTACHMENT AND GARNISHMENT
Court cases are listed only if an article is written concerning them. They are incorporated in the alphabetical listing, both by plaintiff and by defendant, e.g.,

BUTTERFIELD v. FORRESTER
and,
FORRESTER adv. BUTTERFIELD

Book reviews appear under the book author's name, e.g.,

TAUCHAU, MARY K. BONSTEEL

Journal articles which have been abstracted are listed by subject and the title of the journal, followed by the location in Bench and Bar, e.g.,

ALIEN PROPERTY
Missouri Law Review (abstract) 43:52 Jan '79

The above article on alien property, abstracted from the Missouri Law Review, may be found in Bench and Bar, volume 43, page 52 of the January, 1979 issue.

Portraits and photographs are indexed under names of persons or subjects and include cover portraits, authors of articles, Kentucky Bar Association presidents, and selected group photographs. Portraits of individuals other than those listed above are excluded, unless accompanied by a minimum of one page of text. Portraits of authors who are regular contributors are indexed only once. Examples of picture entries follow:

PALMORE, JOHN S.
Portrait 41:9 Jul '77; 42:cover Jan '78

COURT OF APPEALS (PRE-1976)
Photographs 9:2 Dec '44; 33:cover Jan '69

Entries relate to Kentucky unless otherwise noted. The heading "Court rules," for example, contains a list of articles which pertain to Kentucky courts. Articles of national scope would be headed "Court rules", with a subheading, "United States", e.g.,

COURT RULES -- UNITED STATES

Other items included in the index are obituaries, memorials, and tributes listed under subjects' names, legal and judicial ethics opinions, civil and criminal codes, Kentucky Statutes, Kentucky Revised Statutes by section numbers, Kentucky Rules of Civil Procedure,
Kentucky Rules of Criminal Procedure, and selected tables. No routine announcements or committee reports are indexed. Each entry is listed under the most specific subject possible, e.g., the topic "Pre-trial publicity," is listed under "Pre-trial publicity" rather than the broader term, "Publicity".
