## DIVERSITY PIPELINE PROGRAM

The Summit will also seek to encourage young people from diverse backgrounds to become lawyers and practice law in Kentucky. In conjunction with the Summit, on **Thursday, March 21, 2019**, we are hosting a pipeline program that will bring high school students from diverse backgrounds to Covington to learn more about the legal profession. Our goal is to instill in these young people the love for the law and the respect for this noble calling that we have all come to experience. Our hope is that these young folks will go on to successful careers in the profession.
