SERVICES: Professional and Commercial Package Insurance

DESCRIPTION: A recognized strength of The Underwriters Group is its superior claims administration services for both employee benefits and workers' compensation. The combined volume of medical payments allows US&C to negotiate substantial savings on behalf of our customers.

Our workers' compensation adjusters are located in field offices to provide close proximity to our clients' employees. This aids our adjuster in becoming familiar with how hard our clients work, developing unique relationships to understand our clients better.

All of The Underwriters Group staff is connected via US&C's computer network, which allows multiple offices to provide the same standard of services to customers in various locations. It also allows us to keep abreast of changes required by the client or jurisdictional authorities.
