

# ACEC-KY COMMITTEES

*“The goal of ACEC-KY is to improve the business environment for our member firms so that we can continue to do the things we do to improve the quality of life for the citizens of the Commonwealth.” Ron Gilkerson, President (2004-2005)*

## ARTICLE 9 – COMMITTEES (Taken from ACEC-KY Bylaws)

### 9.1. APPOINTED COMMITTEES

The President shall appoint the following committees, and any other committees, sub-committees or task forces deemed to be needed by the Council. The President shall be an ex-officio member of all these committees.

- 9.1.1. **Budget Committee** shall consist of the President-Elect, the Treasurer and the Executive Director and shall be responsible for developing the proposed annual budget.
- 9.1.2. **Energy and Environment Committee** shall establish and maintain a productive working relationship with the Kentucky Energy and Environment Cabinet representing the interests of the Member Firms on energy and environmental issues. This committee shall coordinate the work of its appropriate sub-committees, and shall maintain communications with other ACEC-KY committees/sub-committees which are focused on environmental issues.
- 9.1.3. **Ethical Practices Committee** shall be created for the purposes established in Section 2.4.3 and Article 7 of these Bylaws.
- 9.1.4. **Finance and Administration Cabinet Committee** shall establish and maintain a productive working relationship with the Finance and Administration Cabinet, representing the interests of the Member Firms.
- 9.1.5. **Legislative Committee** shall monitor activities of the Kentucky General Assembly and coordinate the interests of Member Firms. This will be a joint committee with the Kentucky Society of Professional Engineers (KSPE).

- 9.1.6. **Membership Committee** shall plan and carry out a continuous membership campaign focused on increasing the number of ACEC-KY and ACEC Member Firms.
- 9.1.7. **Nominating Committee** shall be chaired by the immediate Past-President and include two members who are not members of the Board of Directors. This committee shall present a list of nominees as provided for in Section 3.2. of these Bylaws.
- 9.1.8. **Professional Development Committee** shall plan and carry out high quality, low cost professional development experiences addressing the needs of Member Firms. Creation of non-dues income will also be part of this committee's charge. This will be a joint committee with the Kentucky Society of Professional Engineers (KSPE).
- 9.1.9. **Transportation Steering Committee** shall establish and maintain a productive working relationship with the Kentucky Transportation Cabinet (KTC), representing the interests of the Member Firms. This will include maintenance of the Partnering Agreement between the ACEC-KY and the KTC. This Committee shall coordinate the work of its appropriate sub-committees.

### 9.2. COORDINATING COMMITTEE

The Coordinating Committee shall consist of the respective current Presidents, Presidents-Elect and Immediate Past Presidents of the Council and of the Kentucky Society of Professional Engineers (KSPE), working together to promote communication and cooperation between the two organizations, to advance common causes, and to foster harmony in respective administrative and staffing needs. The Executive Director shall act as chair of this committee. ●
