

Heather Housel, P.E.

Heather has a Bachelors of Science in Civil Engineering from Tennessee State University and a Masters of Science from University of California Davis. She started her career in environmental engineering in August 2015 with her current employer, CDM Smith, and is a licensed professional engineer in the State of Tennessee. She is an associate member of AWWA-KY/TN Section and CWP-KY/TN Section and is currently serving as the committee co-chair of the KY/TN Water Professionals Leadership Academy. In her spare time, she loves to knit, read, and grow unique fruit and vegetable varieties in the garden.
