# Electronic Submission

## Benefits of Electronic Submission

- Removes need for multiple originals of certified documents
- Faster submission
- Secure submission for sensitive information
- Faster processing of application due to reduction in clerical functions for LDI

## Methods of Electronic Submission

- UCAA Electronic Submission
  - NAIC.org
- ShareFile® Folders
  - Contact LDI prior to submission
  - Will require separate ID and password for each user
- Email to [companyapps@ldi.la.gov](mailto:companyapps@ldi.la.gov)
  - Should not be used for sensitive information
  - May be difficult for larger files

## Problematic Methods of Electronic Submission

- DVD, thumb-drives or other media
  - LDI will not use outside media devices due to security concerns
- Third party “Secure” email systems
  - Issues of public record and ownership of records
  - Multiple ID and passwords for each submitter make it impractical
