FOR IMMEDIATE RELEASE

**LAKE COUNTY BAR ASSOCIATION
PUBLISHES EVALUATIONS OF CANDIDATES FOR ELECTION AS CIRCUIT JUDGE**

The Lake County Bar Association (LCBA) has just completed two separate evaluation processes for the current slate of candidates for the office of Circuit Judge. Judges who preside in Illinois trial courts obtain their positions in two different ways: Circuit Judges are elected by the public, and Associate Judges are appointed by the Circuit Judges. The Nineteenth Judicial Circuit in Lake County currently has 15 Circuit and 25 Associate judge positions.

The LCBA evaluates judicial candidates in two different ways. The first way is a member survey, in which every active attorney member of the LCBA receives a ballot by e-mail. Regarding the candidates' qualifications for judicial office, members are asked to respond yes or no to questions relating to the candidates' integrity, impartiality, legal abilities, temperament, and court management ability. Members are asked to evaluate only those candidates they know, and a final question asks generally whether the member believes the candidate meets the requirements for judicial office. The complete results of the member survey regarding the Circuit Judge applicants are enclosed with this press release (the LCBA only releases results for those candidates rated by at least 25% of the members responding).

The second way the LCBA evaluates candidates is through the Association's Judicial Selection and Retention Committee. The Committee is comprised of 16 members of the Association who are appointed for staggered three-year terms. The Committee meets when judicial positions need to be filled and vets candidates based on an extensive application and interview process.

After interviewing each candidate, the Committee votes anonymously, with each member choosing one of four rankings: Highly Qualified, Qualified, Not Qualified, or Not Rated. Candidates receive a "Highly Qualified" rating if at least 60% of the Committee's voting members select that rating. Candidates are "Qualified" if at least 60% of the Committee's members select either "Qualified" or "Highly Qualified." Those candidates not receiving a 60% affirmative vote are rated as "Not Qualified." Candidates receive a "Not Rated" if they did not participate in the evaluation process. Evaluations are valid for three years. The results of the Committee's evaluation are enclosed with this release.

The LCBA's bylaws do not provide for the Association to make endorsements regarding judicial candidates or judicial re-appointments. Opinions expressed by individual members of the Lake County Bar Association do not constitute endorsements by the Association or by any of its committees.
