TLEDs may not work with certain ballasts. As with any “Plug and Play” equipment, the TLED lamps are dependent upon the life and condition of the ballast. Contact your sales representative to confirm TLED’s will be compatible with existing ballasts/system. Discounts provided by the Entergy LA Prescriptive Incentive Program to qualifying Entergy business customers. Sales tax must be paid on pre-incentive price. Promotion cannot be combined with any other Entergy LA utility incentive program. All orders must ship, invoice and be installed by 12/28/2018 to qualify for Entergy LA TLED promotion. All sales orders must be approved in advance. All orders must meet Entergy LA Prescriptive Incentive Program rules.
