

Employer Roadmap for Apprenticeship Program

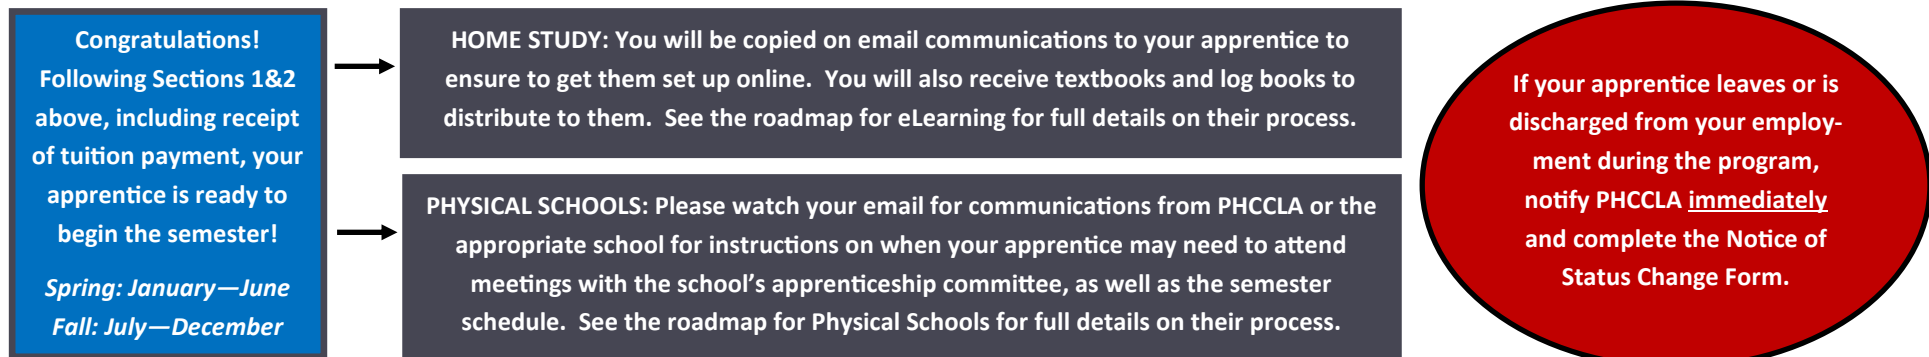

1. Employer Application Process (must be completed to accept apprentice applications)

2. Apprentice Application Process

3. Starting the Program

4. Semester End and Re-enrollment Process

Approximately 30 days before the end of the semester (and at the start of the new enrollment period), you will receive a fax/email from PHCCLA asking to verify that your apprentice will be continuing into the next semester. Please complete the form in its entirety and return by the requested deadline. This will also be your opportunity to enroll new apprentices for the following semester.
