

Employer Roadmap for IWTP Reimbursement

As a service to our PHCCLA members, PHCCLA aids you in the Louisiana Workforce Commission's (LWC) Incumbent Workers' Training Program (IWTP) Reimbursement process. On your behalf, we begin the application at the beginning of the semester, as well as begin the invoice process at the end of the semester when IWTP issues the reimbursement. Following is a roadmap of those steps you may expect. Please contact us at 225.343.2776 or phccla@amstrategies.co if you have any questions.

1. Applying for the Reimbursement—Semester Start

2. Requesting the Reimbursement—Semester End
