SUPPLEMENTAL BAR SKILLS WORKSHOPS

All workshops are meant to supplement your commercial bar prep course, and are free to all alumni. The workshops will be interactive focusing on bar exam study and test taking skills. Instead of repeating the topic lectures from your commercial bar prep course, the workshops we will guide you through outlining, writing and reviewing actual bar essays. In addition, the workshops will focus on best strategies for analyzing and correctly answering bar exam multiple choice questions. All workshops will be held in Room 507.

Please direct any questions to Professor Melissa Hale at Melissa.hale@udc.edu.
