the National Lawyers Guild

is the nation's oldest and largest progressive bar association and was the first one in the US to be racially integrated. Our mission is to use law for the people, uniting lawyers, law students, legal workers, and jailhouse lawyers to function as an effective force in the service of the people by valuing human rights and the rights of ecosystems over property interests.

Accommodation requests related to a disability should be made to GULCNLG@georgetown.edu by Sept 16.
