# LCAGRAM

## IPM Report

Last week, thousands of brown marmorated stink bugs (BMSB) began their annual fall ritual of moving toward overwintering habitats. If you have not addressed physical barriers to exclude BMSB from your homes and businesses, now is the time.

Why have liability insurance that doesn't work the way you do?

## Alert: Montgomery County Outlaws Pesticide Use on Private Lawns

*From Green Industry Pros*

After months of deliberation and debate, the Montgomery County Council voted 6-

3 to move ahead with [Bill 52-14](#), which bans the use of pesticides on both county-owned and private lawns.

## Appeals Court Stops EPA's WOTUS Rule With Preliminary Injunction

*From Total Landscape Care*

The legal challenges surrounding the WOTUS rule will continue, but last week's ruling means that at least for now, the rule cannot be implemented or enforced. The ruling passes no judgment on the technical merits of the rule or the litigation.
