PDPM Transition Readiness: Mapping a Successful Route to the New Payment Model

This 6-hour workshop will review fundamentals of the Patient Driven Payment Model (PDPM) effective October 1, 2019 and assist providers in preparing for a successful transition to the new SNF Part A reimbursement model. Emphasis of this training will be developing a deeper understanding of the payment model and the impact on interdisciplinary team operations with focused implementation guidance for a step wise facility action plan to guide an effective transition.

Learning Objectives:

1. Review the components, MDS changes, and key features that will impact payment under the Patient Driven Payment Model (PDPM).
2. Identify key operational, training and systems considerations for preparing to transition to PDPM
3. Review a framework for developing a facility-specific transition action plan with key assignments and time frames to prepare for transition readiness.
