Seminar Description

The Office of Medicaid Policy and Planning and Myers and Stauffer is excited to inform you of training being scheduled for 2019. This training will focus on:

- ✓ 9 Long-stay Quality Measures
- ✓ "New" Facility Custom QM Report
- ✓ Quality Measure Impact to Value Based Purchasing

The new Facility Custom QM Report has been developed to provide enough detail to guide the facility on quality strengths, under-performance, comparison between peers, region and national; and most importantly how to identify facility needs and how to interpret the data to focus energy on achieving quality care for our residents. Providers are encouraged to bring their QM report that is expected to be posted on the web portal on or around April 12th.

Seminar Details

Registration begins at 8:00 am. The seminar begins promptly at 8:30 am and will conclude by 5:00 pm.

**All events are held at local time of the specified venue. Please plan accordingly.*
