

# TRANSFORMING LONG-TERM CARE IN MARYLAND

VIRTUAL CULTURE CHANGE  
SYMPOSIUM SERIES- A LONGEVITY  
READY MARYLAND INITIATIVE -  
TUESDAYS IN OCTOBER 2025, FROM  
1-3 PM ET

## WHAT TO EXPECT?

Oct 7 – Because It's Home: Discover the power and purpose of person-directed care in this keynote with Karen Schoeneman, former CMS expert and national voice for culture transformation.

Oct 14 – Living Fully, Caring Deeply: Resident and direct care partner panel discussions.

Oct 21 – In Good Company: A panel of ombudsmen, administrators, surveyors, and care partners shares what true collaboration looks like.

Oct 28 – The Future We Choose: What mobilizers and administrators can learn from each other with keynote speaker Chris Mulrooney.

## WHO SHOULD ATTEND?

This symposium is for anyone committed to better long-term care in Maryland, including:

- Nursing home, assisted living, and memory care providers
- All levels of leadership from direct care staff to administrators
- Ombudsmen, surveyors, and educators
- Residents and advocates for person-directed living and organizational transformation

## Stronger Together. Better Ahead.

Empower Your Possible is a statewide virtual symposium uniting Maryland's long-term care community to imagine—and build—a better future. As a hands-on complement to the state's Longevity Ready Maryland multisector plan for aging, this four-part series features keynote speakers, real stories, and practical tools to support inclusive, relationship-rich care across the continuum.

Join the conversation—and help shape what comes next!

## Why Attend?

- Gain access to real-world person-centered care strategies and tools for change
- Connect with peers and leaders who are making a difference
- Get complimentary registration to the Person-Directed Living eLearning Certificate Course (\$99 value)
- Earn CEs through NAB, Maryland Nurses Association (approval pending), and NCCDP
- Access recordings and one-page action summaries for continued team learning

## REGISTRATION DETAILS

- \$49/pp
- Register once for all four sessions
- Includes recordings, session summaries, and certificate course
- Eight continuing education credits pending
