"Evangelical Homes of Michigan has been extremely pleased with the thoughtful educational programs that the Academy provided to its leaders in training. We decided to send all of our Executive Directors at once through the program so that our more seasoned leaders could work with our young leaders and other leaders in Michigan. Everyone benefited from the experience. It provided a dedicated time for shared learnings that we rarely are blessed with in our over-connected lives. I believe strong friendships were formed outside of EHM. Congratulations and thank you to all involved. Truly you have opened the door to endless possibilities for our leaders."

Denise Rabidoux, President and CEO of EHM Solutions
