ICD-10 BOOTCAMP – JUST THE BASICS

PURPOSE:

This two-day bootcamp is designed for individuals with minimal ICD-10 coding experience. The bootcamp will review SNF relevant coding guidelines and coding conventions. Attendees will participate in case scenarios that utilize the coding conventions and guidelines, and address PDPM coding specifics.

Attendees must bring an ICD-10 coding book.

OBJECTIVES:

1. Discuss Navigating the Code Book
2. Discuss Characteristics of ICD-10 CM codes
3. In-Depth Review of General Coding Guidelines
4. In-Depth Review of Chapter Specific Coding Guidelines
5. Discuss Patient Driven Payment Model Operational Considerations
6. Sequencing the principal diagnosis
7. Discuss Complications/comorbidities

DAY ONE

7:30 A.M.

Registration

8:00 – 5:00 P.M.

Navigating the Code Book

Characteristics of ICD-10 CM Codes

- Placeholders
- 7th characters (Episode of Care)
- Coding Conventions
- In-depth review of General Coding Guidelines
- In-depth review of Chapter Specific Coding Guidelines

12:00 – 12:30 P.M.

Lunch (provided)

- Patient Driven Payment Model Operational Considerations
- Practice Exercises related to guidelines and Conventions
- Sequencing the principal diagnosis
- Complications/Comorbidities

5:00 P.M.

Adjourn

DAY TWO

7:30 A.M.

Registration

8:00 – 5:00 P.M.

Navigating the Code Book

Characteristics of ICD-10 CM Codes (continued)

- Documentation
- Querying

12:00 – 12:30 P.M.

Lunch (provided)

- Practice Exercises with PDPM impact
- Course Evaluation

5:00 P.M.

Adjourn

ICD-10 BOOTCAMP – ADVANCED

PURPOSE:

This one-day bootcamp is designed for individuals with some coding experience. The session will walk individuals through various coding scenarios, including scenarios with common coding errors found during First Class Solutions, Inc. SNF coding audits. Case scenarios will also include PDPM specifics such as clinical categories and NTA comorbidities.

Attendees must bring an ICD-10 coding book.

OBJECTIVES:

1. Review Advanced ICD-10 case scenarios with PDPM impact
2. Review Common principal diagnosis errors (found on FCS focused PDPM audits)

ONE-DAY

7:30 A.M.

Registration

8:00 – 5:00 P.M.

Navigating the Code Book

Characteristics of ICD-10 CM Codes (Advanced)

- Advanced ICD-10 case scenarios with PDPM impact

12:00 – 12:30 P.M.

Lunch (provided)

- Common principal diagnosis errors (based on FCS focused PDPM audits)

5:00 P.M.

Adjourn

WORKSHOP SPEAKERS

Pamela L. Scott, RHIT, CCS, CRC, CCDS, AHIMA Approved ICD-10CM/PCS Trainer, Assistant Vice President, Coding Support and Compliance Services, First Class Solutions

Ms. Scott has extensive expertise in ICD-10CM/PCS and clinical documentation improvement. She conducts educational programs and has presented nationally, regionally, and locally on more than 50 occasions. She is a sought-after speaker for coding related topics.

Ms. Scott provides coding support and coding compliance services for her clients. She has served as a coding mentor to many client coders and especially those new to the coding field. Ms. Scott has experience with all types of inpatient facilities including acute and long-term specialty hospitals, long-term acute care hospitals, and skilled nursing facilities. She provides coding support for outpatient services as well and has experience with dialysis and cancer treatment centers. Ms. Scott has worked with a variety of registries including tumor, myocardial infarction, and head and spinal cord injury registries.

Ms. Scott obtained her RHIT in 1990 and joined First Class Solutions 5 years later. She has coursework in business, accounting, management training, and nursing. She is a member of the Missouri and American Health Information Management Associations, the Association of Clinical Documentation Improvement Specialists (ACDIS), and the American Academy of Professional Coders (AAPC).

Christine E. Geiger, MA, RHIA, CCS, CRC, AHIMA Approved ICD-10CM/PCS Trainer, Senior Coding Consultant

Ms. Geiger career in health information management started in 1986. She has worked at large and mid-sized health care facilities in many roles where she gained a thorough understanding of health information management. Her coding career, which began in 1994, includes working in hospitals as both an employee and a consultant. Ms. Geiger's experience also includes working in quality assurance, service analyst, and as a coding instructor for Saint Louis University. She joined our firm in 2007.

During the ICD-10 preparation period, Ms. Geiger assisted many of our clients with ICD-9 to ICD-10 mapping and e-form revisions to help clinicians capture ICD-10 required elements. She is certified in the risk adjusted coding requirements of HCCs and provides inpatient coding support and coding compliance services for our clients.

Ms. Geiger holds a master's degree from Washington University and a bachelor's degree from Saint Louis University. She is an active member of the Missouri and American Health Information Management Association and the American Academy of Professional Coders.

CONTINUING EDUCATION

Participants must attend the program in its entirety to receive continuing education credit/certificate of attendance.

- NHA: Just the Basics — Pending approval for 16 administrative hours by the Missouri Board of Nursing Home Administrators. TA #044-719.
- Advanced — Pending approval for 8 administrative hours by the Missouri Board of Nursing Home Administrators. TA #044-719.

PAYMENT OF REGISTRATION FEES

Registration payments must be received by noon the day prior to the educational offering. On-site registrations are accepted if space is available on a first-come, first-served basis with payment of fees plus an additional \$15.

SUBSTITUTIONS AND CANCELLATIONS

Substitutions are allowed. You may cancel a registration up to 48 hours prior to the workshop and receive a refund less a \$25 processing fee. Refunds are not offered if registrant fails to attend without prior notification. Associations reserve the right to cancel workshops for low enrollment (a credit or full refund will be offered) and reserve the right to substitute presenters without notice.

CONFIRMATION OF REGISTRATION

Confirmations are sent to the email address given on the registration form. Please provide a copy to your employer if necessary.
