

ATTENTION ALL VISITOR(S)

FOR THE SAFETY OF OUR RESIDENTS,
STAFF and VISITORS:

ALL VISITORS MUST ADHERE TO THE FOLLOWING
INFECTION PREVENTION PRACTICES:

Perform hand hygiene at entrance to facility
AND prior to any contact with the resident

X

Limit the number of surfaces touched

X

Limit movement within the facility (*i.e. reduce walking in the halls, avoid dining room and other common areas*)

X

Limit physical contact with residents, staff and other visitors while in the facility (*i.e., practice social distances with no hand-shaking, hugging*)

Report to the facility any signs or symptoms of respiratory illness within 14 days after visiting the facility

Remember it takes everyone to keep our families safe
