

THE MOST PREPARED SPACES HAVE FELLOWES

AeraMax® Pro air purifiers remove airborne contaminants, including coronavirus*, using a combination of smart and integrated technologies – only from Fellowes.

"These latest test results on the Fellowes AeraMax Pro air purifiers provided by an independent third-party accredited (ISO/IEC 17025) laboratory are significant. I continue to be impressed with the findings on the efficacy of this technology/device by Fellowes."

"Typically, single-strand RNA envelope viruses (e.g. common cold coronavirus 229E, etc.) are used as a surrogate for SARS CoV-2 to study the antiviral effect of a specific device."

*Dr. Rajiv Sahay, Director of Environmental Diagnostics Laboratory
at Pure Air Control Services based in Clearwater, Florida*

Why Fellowes Air Purifiers? It Starts with Great Filtration

The four-stage filtration process uses the following proven methods to effectively clean the air:

*Fellowes AeraMax Pro air purifiers were demonstrated through independent laboratory testing to be effective in reducing aerosolized airborne concentration of Human Coronavirus 229E in a test chamber, reaching 99.99% airborne reduction within 1 hour of operation.

Fellowes Air Purifiers Are Smart

Fellowes patented **EnviroSmart** and **PureView** Technologies continuously scan and analyze rooms, purifying the air with visible results.

Our proprietary and patented EnviroSmart technology enables AeraMax Pro commercial-grade air purifiers to continuously monitor your environment and automatically adjust to clean the air, conserve energy and reduce operating costs.

PureView's patented sensor technology and display makes the invisible visible with real time status updates as the air is cleaned. It provides maximum peace of mind that the air you and others breathe is clean.

Integrated

A Seamless Addition

AeraMax Pro was designed to seamlessly integrate into your space, whether on the floor, wall-mounted or recessed into the wall. All models are unobtrusive and aesthetically pleasing, so you can provide worry-free air purification wherever it's needed most.

Reliable

Commercial Grade Durability

AeraMax Pro commercial-grade air purifiers are built to last, with high-quality components ensuring your unit is reliable, durable, and tamper-proof.

Cleaning and Exchanging Air is Key

AeraMax Pro room size recommendations are based on delivering the recommended 3-5 Air Changes per Hour (ACH).
