

**Kathy Adkins OTR/L, CPC-A, RACT-CT, CDP**  
**Director of Quality, RehabCare**

Throughout her career, Kathy Adkins OTR/L has practiced Occupational Therapy across the continuum of care including: home health, pediatrics, inpatient rehab, outpatient rehab, pulmonary rehab, mental health and long term care. In her role as Director of Quality for RehabCare, Kathy co-developed the new Right Path Program on Behavioral Health called Hope Conquers. She has presented at national and state conferences on a variety of topics including PDPM, documentation, standardized assessments, reimbursement/regulatory issues, mentorship programs, and positioning. She co-presented on Functional Positioning for the Geriatric patient at the International Seating Symposium in Nashville TN in September of 2014.

Kathy is on the Advisory Board for the OTA program and an Ambassador for Madisonville Community College. She serves as a volunteer on the Kentucky Occupational Therapy Association in reimbursement issues. Kathy earned her LSVT Big Certification in 2018, Certified Professional Coder (Apprentice) in 2019, Resident Assessment Coordinator (RACT-CT) in 2019, Certified Dementia Practitioner (CDP) in 2020. Kathy is a member of Kentucky Occupational Therapy Association, American Occupational Therapy Association, American Academy of Professional Coders and American Association of Nurse Assessment Coordination. She earned her BS in Occupational Therapy from Baker College.
