

LIFE PLAN COMMUNITY

(FORMERLY CCRC)

Nearly every nonprofit Life Plan Community in the country is a member of LeadingAge. LeadingAge creates ways to share best practices between different services and supports—an ideal environment for Life Plan Communities. LeadingAge has created financing models and grant programs for innovative communities whose great ideas could improve the lives of older adults across the country. Understanding the value Life Plan Communities bring to their community, LeadingAge has taken the lead in helping members tell their social accountability story and protect their federal tax-exempt status.

Member benefits specific to Life Plan Communities include:

Advocacy

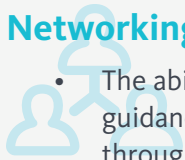

- Federal advocacy and monitoring of state and federal regulations pertaining to Life Plan Communities.
- Personalized assistance in learning how to advocate/educate your state/national elected officials through grassroots outreach.

Education/Professional Development

- The ability to lean on LeadingAge residential community staff experts for guidance on organizational challenges or technical assistance.
- Access to the latest news in the field and in the life plan/assisted living line of service through the *Life Plan/Assisted Living Report Newsletter*.

Networking

- The ability to share ideas, challenges, or get guidance from your aging services peers through Listservs including: Continuing Care at Home, Social Workers, Human Resources.
- Peer learning through educational content at the LeadingAge Annual Meeting & EXPO and LeadingAge Leadership Summit.

Resources

- Access to Center for Aging Services Technologies (CAST) resources on technologies for Life Plan Community settings including technology selection tools and the tracking of technology spending and adoption.
- Information, education, and tools providers need to participate in managed care, integrated service delivery, and alternative payment models through the Center for Managed Care Solutions and Innovations.
- Resources for managers and boards to inspire social accountability throughout their organizations.
- Access to workforce resources for aging services which contain promising practices, ideas for key partnerships, tools to calculate turnover, fact sheets, and other relevant information in the Center for Workforce Solutions.
