HHS Extends Data Submission Deadline to April 25 Related to CARES Act Funds Distribution

Today, the U.S. Department of Health and Human Services (HHS) [announced](#) that it is extending the deadline for hospitals to submit data that the agency will use to make targeted distributions from the CARES Act funds to hospitals and other facilities that have been particularly burdened by COVID-19. **The data deadline is now Saturday, April 25 at 12 p.m. PST.**

On April 22, the LHA sent an [Alert](#) with links to an American Hospital Association [Special Bulletin](#) and an [HHS communication](#) that provide details on the information requested by the agency. We will continue to monitor this process for any updates. If you have any questions or need additional information, contact LHA VP of Healthcare Reimbursement Kevin Bridwell at kbridwell@lhaonline.org.
