

PODIUM PRESENTATIONS

APPLY BY MON. FEB. 26

Life Science Innovation Northwest brings together hundreds of attendees from across the life science industry including biotechnology, medical device, biopharmaceuticals, health IT/digital health, global health and research institutions. Join us March 27 & 28, 2018 at the Washington State Convention Center in Seattle.

Attendees include industry executives, as well as public and private investors focused on business development and partnering opportunities in life sciences. Podium Presentations are the perfect way to increase visibility for your company and attract strategic partners at LSINW. Pitch your company's story, pipelines and objectives!
