

# POSTER PRESENTATIONS

APPLY BY MON. FEB. 26

Life Science Innovation Northwest brings together 500+ attendees from across the life science industry including biotechnology, medical device, biopharmaceuticals, health IT/digital health, global health and research institutions. Join us March 27 & 28, 2018 at the Washington State Convention Center in Seattle.

Attendees include industry executives, as well as public and private investors focused on business development and partnering opportunities in life sciences. Poster Presentations are the perfect way for early-stage entrepreneurs, research teams, and startups to network and receive feedback on their ideas.

## REQUIREMENTS

- Applicants should be early-stage life science groups in the discovery, development or commercialization stage of business.
- Applicants should plan to attend LSINW and be available to present their poster during high-traffic times, including the Tuesday night Industry Networking Reception.
- Selected poster participants will have the opportunity to attend the full LSINW conference.
- There is no cost to apply for Poster Presentations. Selected poster presenters must be registered and pay associated fees in advance of LSINW.

## KEY DETAILS

- Applications are due FEBRUARY 26, 2018. All applications will be reviewed by committee.
- Selected participants will be notified by MARCH 12, 2018 and receive an invoice with conference registration instructions.
- Life Science Washington & SEBA will provide pre-conference coaching, consulting, a poster template, and free printing to all selected participants before LSINW.
- Selected poster presenters will be listed in the LSINW conference guide and digital app.

## POSTER PRESENTATION FEES: SAVE MORE THAN \$200 ON LSINW REGISTRATION

- Student Groups: \$175 - includes 2 full conference registrations
- Companies: \$275 - includes 2 full conference registrations
