

LIFE SCIENCE INNOVATION NORTHWEST

MARCH
27 & 28, 2018
SEATTLE, WA

The Pacific Northwest's Largest Life Science Event

- **Expert Panels**
- **Podium Presentations**
- **Industry Reception**
- **1:1 Partnering Meetings**
- **Startup Fast Pitch**
- **Poster Presentations**

Life Science Innovation Northwest (LSINW) brings together more than 500 attendees from biotechnology, medical device, biopharmaceuticals, health IT/digital health, global health and research institutions. Our goal is to:

- **EDUCATE** Washington state's life science community about critical industry topics and trends.
- **SHOWCASE** the incredible life science research and innovation occurring throughout Washington state.
- **FACILITATE** high-quality networking and strategic partnership opportunities within our diverse community of stakeholders.
