

Ken Carter, Aadvanced Limousines Central Candidate

Bio:

Born and raised in Indianapolis, IN. Graduated from Warren Central High School -Class of 1999. Ken graduated from WCHS and became an electrician, with knowledge in endless areas. When the opportunity came to become self-employed, he was up for the challenge. He left his full-time career as electrician to begin raising a great team of chauffeurs, mechanics, and office staff that would soon become recognized as the best transportation company in Indianapolis. That began in 2005, in a short 15 years we have grown from a single stretch limousine to a diverse fleet of sedan to mini coach options. Our heavy focus on service, safety and reliability has allowed us to attract and keep repeat clients.

Reasons for Wanting to Serve on the NLA Board:

I will be a great asset to the NLA in the scope of sharing the mission and work that is being done by the NLA. Often the industry, current members and nonmembers overlook the value that the NLA holds for us as individuals and a collective industry. I want to help share that message and continue to push the industry in a forward motion to better every operator.
