Q3

Please list your current occupation.

Attorney at Law

Q4

Please briefly describe why you are running for federal office.

I am running for the U.S. Senate to reduce the size and scope of government, enact criminal justice reform, and provide transparency in government.

Q5

If you have held any elected public office previously, what position(s) did you hold?

None.

Q6 **Yes**

Do you support continued tax-exempt status for municipal bonds?

Q7 **Yes**

Do you support a city's ability to refinance municipal bonds?

Page 3

Q8 **No**

Do you support legislation that seeks new federal investments addressing water quality challenges in Kansas?

Q9

Please explain why or why not.

We need fewer laws, not more laws. I would oppose (national) federal investments for water quality in any state of the United States. Each state should be responsible for producing clean water for its residents.

Q10 **No**

Do you support the reauthorization and fully funding both the Drinking Water State Revolving Loan Fund and the Clean Water State Revolving Loan Fund to ensure adequate resources for drinking water and wastewater treatment facilities irrespective of targeted funding?

Q11

Please explain why or why not.

We need fewer laws, not more laws. I would oppose (national) federal laws for water quality in any state of the United States. Each state should be responsible for producing clean water for its residents.

Q12

Do you oppose legislation that seeks to require collective bargaining at the local level?

Yes

Page 5

Q13

Do you support legislation that appropriates federal funds for the research and development of pilot projects on stormwater management?

No

Q14

Please explain why or why not.

The funds won't be needed if the regulations are repealed. The regulations should be repealed. States should set their own standards for clean water and pay for it themselves.

Q15

Would you support legislation to appropriate federal funds to identify and/or replace lead/copper pipes?

No

Q16

Please explain why or why not.

At 40 trillion in debt, it's time to stop discretionary spending.

Q17

Would you support legislation to mitigate exposure to PFAs and forever chemicals, as well as remediation efforts?

Yes

Q18

Please explain how Congress can provide assistance related to PFAs and forever chemicals.

It can provide tax brakes to organizations which are working in related fields.

Page 6

Q19

Do you oppose the imposition of unfunded mandates on local government?

Yes

Q20

Under what circumstances would you impose unfunded mandates on cities?

I cannot imagine any such circumstances.

Page 7

Q21

Explain your approach to ensuring Kansas receives funding for special projects.

As a Libertarian serving in a closely-divided senate, both of the major parties will want to make sure that Kansas is treated fairly. If a special project serves a vital federal purpose, I will make the case for it.

Q22

What do you believe are the five most important issues in the upcoming 120th Congress?

Issue #1	**Affordability/Cost of Living**
Issue #2	**Strong National Defense**
Issue #3	**Criminal Justice Reform**
Issue #4	**Transparency in Government**
Issue #5	**Reducing the Size and Scope of Government**

Q23

What legislation do you hope to introduce in the next Congress?If the legislation involves cities and you would like the League to consider supporting it, would you share a copy of your legislation with us?

I shall introduce bills to abolish the Department of Education and the Department of Energy. I shall also introduce a bill that requires all bills be posted on the internet for 72 hours before they are voted on and the results of the vote be posted for 72 hours on the internet. City officials will always know about legislation which involves Kansas cities.

Q24

Please use this final space to provide any comments you would like to add to this questionnaire or add any information you want the cities of Kansas to know about you.

My opponents in this race are relying on negative advertisement paid for with dark money. I have told you were I stand by answering all the questions in this survey. You know where I stand. I hope you will help me break up the divisive two-party stranglehold on our country. I have lived and worked in many different places in Kansas. It would be my honor to serve you as your United States Senator. Thank you for your consideration!
