NEW PREFERRED PARTNER - UTILITY SERVICE PARTNERS

The League of Kansas Municipalities recently announced a new preferred partner: the National League of Cities Service Line Warranty Program, administered by Utility Service Partners. Offered at no cost to League members, the program educates homeowners about their service line responsibilities and offers affordable protection from unanticipated service line repair costs. Homeowners in participating cities are eligible to purchase low-cost repair service plans for broken or leaking outside water and sewer lines, covering up to \$8,500 per occurrence. There is no cost for Kansas cities to participate.

The League has chosen to highlight this program because Utility Service Partners has an outstanding national reputation. Utility Service Partners is a BBB Accredited Business with an A+ rating, and they maintain a customer satisfaction rating exceeding 98%. Additionally, this is the only protection program endorsed by the National League of Cities and multiple state municipal leagues.

For more information, please contact Lee Zell of Utility Service Partners, the program administrator by phone (770) 331-3268, or by *email*, or visit their *website*.

NLC Service Line Warranty Program

LEGISLATIVE SESSION WRAP-UP WEBINAR

On June 20, League legislative staff will review the 2018 session and provide a general overview of legislation affecting Kansas' cities. The webinar is free and for League members only. Webinar is limited to 100 participants.

Register online.
