MANAGING MUNICIPAL SERVICES

Cities provide the services your residents rely on each day for comfort and quality of life. From water, sewer, fire, and police protection, cities are the key to managing the functions which form a community. This course will provide important information for elected officials and staff to get a broad overview of city departments, what they do, and the best practices for managing these services. The course is presented by Trey Cocking, Deputy Director, and Eric Smith, Deputy General Counsel, League of Kansas Municipalities.

The MTI will be held on Friday, September 21 in Andover from 10 a.m. to 2 p.m. Cost to attend this course is \$75 for members, \$100 for nonmembers. Lunch and materials provided. Your city will be invoiced after the class is finished. [Register online.](#)

The League Annual Conference

Why attend Annual Conference?

This event will provide you the resources needed to be knowledgeable and skilled in your local government role, offer opportunities to expand your knowledge of local government issues as well as engage with other leaders to share and brainstorm ideas to implement in your community, and engage the audience to think creatively and use problem-solving tactics to address common municipal challenges.

Who should attend?

The League's Annual Conference offers something for everyone. We recommend councilmembers/commissioners, mayors, managers and administrators, clerks, and department heads attend our conference. A number of valuable workshops, discussions, and networking opportunities await you! Learn More and Register: lkm.org/annualconference
