See you in Salina!

This weekend, the Leadership Summit and Kansas Mayors Conference will be held in Salina. We look forward to seeing local government officials there for two days of great content and discussion on leading Kansas cities.

Next week, look for an announcement on the Kansas Mayor of the Year.

Salary Survey

Do you need municipal salary data for your budget? As you prepare your city budget, please feel free to access the League's 2018 Salary Survey, which is produced biannually.

If you participated in the survey, your city has free access. The spreadsheet is also available for $35.

Visit our website for more information! Contact Chardae Caine with questions regarding the League’s Salary Survey!
League Launches Simplified Service Awards Program

Is your city interested in honoring city employees or elected officials who have faithfully served your community? Since 1926, the League has promoted a city service award program to recognize devoted public servants at a number of tenure levels.

The League listened to our members’ feedback, and our new service award program has been simplified. The new program launched April 2, 2019 with an email to city clerks, city managers, city administrators, and human resources personnel with additional information on how the new program will assist your city in recognizing your employees.

If you have any questions about the Service Awards program, contact Administrative Assistant Kaitlyn Willis.

Earth Day 2019 - Is Your Community Involved?

Is your community celebrating Earth Day this year? Many cities come together on April 22 for community clean-ups and events that promote recycling, waste reduction, and energy conservation. Earth Day is the largest secular observance in the world – celebrated by more than a billion people every year – and a day of action that changes human behavior and provokes policy changes.

Tag the League on Facebook or Twitter when you have your Earth Day event - we’d love to share the efforts of Kansas cities on social media!
