ARE YOU SERVING ON A POLICY COMMITTEE?

Each year in August, the League's Policy Committees meet to review the League's Statement of Municipal Policy. There are three committees focused on specific areas: Finance & Taxation, Public Officers & Employees, and Utilities & Environment.

The recommendations of the three specific committees help craft the League's legislative direction for the coming year.

KANSAS HOUSING RESOURCES CORPORATION FUNDING

The Kansas Housing Resources Corporation has funding for loans or grants to cities or counties for infrastructure or housing development in rural areas. An [on-line RFP](#) outlines the eligible projects and activities, as well as grant/loan structuring.

The deadline to submit proposals under the RFP is 5:00 p.m. on Monday, September 30, 2019.

CONFERENCE REGISTRATION NOW OPEN

Do you find it hard to manage competing funding priorities in your community? Do you get bogged down; knowing that productivity of your city can be improved but you just don't know how? Have you ever struggled to find balance between your public service work and your personal life? This year's League Annual Conference is for you!

This October, join the League and hundreds of local government officials in Overland Park to address these issues and other questions facing Kansas local government leaders.

We're excited to offer this opportunity to local government leaders across the state! Join us **October 12-14** in Overland Park. We're ready to help you find your balance, learn how to better work with your constituents, and move your city further with good governance and visionary leadership.

Visit our conference website at www.lkm.org/annualconference for more details.
