ENSURE YOUR COMMUNITY COUNTS!

Did you know, if 1% of the Kansas population is under counted in the 2020 Census, the state of Kansas could miss receiving approximately \$603,990,400 in federal funding over a 10-year period.

This week, the League, and our Census 2020 partners, launched the official website for the 2020 Census in Kansas.

Visit www.KansasCounts.org for information on your community and to find resources to promote the census in your community. Check out the 'government resources' tab for city-specific data.

Ensure you count, ensure your community counts, ensure Kansas Counts by participating in the 2020 Census!

SEPTEMBER IS NATIONAL VOTER REGISTRATION MONTH

In 2002, Secretaries of State established September as National Voter Registration Month to encourage voter participation and increase awareness of state requirements and deadlines for voting.

Not sure if you are registered to vote? Have you recently moved, changed your name or had your voting rights restored? Get help using our non-partisan voting assistance website, www.CanIVote.org.

Energy Performance Contract Workshop

SAVE THE DATE: NOVEMBER 21, 2019 (9AM TO 4PM)

How much money could you save in energy and operational costs if your facility were upgraded? Attend a free workshop to learn more about Energy Performance Contracting, an approach that uses energy savings to pay for the cost of new energy efficient equipment and systems over time using a single procurement contract.

Who should attend: Any government building owner/manager. Examples include School Superintendents, Facility Managers, City Managers, Municipalities, Public Schools, Correctional Facilities.

Guest speakers will include: Tim Unruh, National Association of Energy Service Companies; Dale Hahs, Energy Services Coalition; a panel of past energy efficiency participants including Washington USD 108, City of Eudora, and Bonner Springs USD 204.

Where: Washburn Tech Conference Center in Topeka, KS (5724 SW Huntoon St.)

- **Registration begins at 8am**

Details and registration: kansasenergyprogram.org/2019EPCworkshop

For more information, contact: ksenergyprog@ksu.edu or call (785) 532-4998.
